

Application No. 10/636,069  
Amendment dated April 24, 2006  
After Final Office Action of February 22, 2006

Docket No.: 66192-0009

**AMENDMENTS TO THE CLAIMS**

Please cancel claims 15-38 and 41-42. No other amendments are made in this response.

1. (Previously Presented) A wafer cookie, comprising:

protein material, wherein protein material comprises, by weight, between about 26% and about 99% of a wafer cookie, said wafer cookie being light and airy.

2. (Previously Presented) The wafer cookie of claim 1, further comprising:

flavorings or seasonings;  
oil; and  
an emulsifier.

3. (Previously Presented) The wafer cookie of claim 1, wherein said protein material is whey protein, wheat protein, soy protein, calcium caseinate, egg white protein or a combination thereof.

4. (Previously Presented) The wafer cookie of claim 1, comprising:

caseinate; and  
whey protein isolate;

wherein the ratio of caseinate to whey protein isolate is about 1:5.4 to about 1:5.7.

5. (Previously Presented) The wafer cookie of claim 1, comprising:

whey protein isolate; and  
soy protein isolate.

Application No. 10/636,069  
Amendment dated April 24, 2006  
After Final Office Action of February 22, 2006

Docket No.: 66192-0009

6. (Previously Presented) The wafer cookie of claim 5, wherein the ratio of soy protein isolate to whey protein isolate ranges from about 1:1 to about 1:4.

7. (Once Amended) A wafer cookie, comprising by weight:  
from about 11% to about 99% whey protein isolate;  
from about 11% to about 99% soy protein isolate;  
from about 2 % to about 11% calcium caseinate; and  
from about 2 % to about 23% egg white protein, wherein said wafer cookie is light and airy.

8. (Previously Presented) The wafer cookie of claim 7, wherein:  
whey protein isolate comprises about 60%;  
soy protein isolate comprises about 15%;  
calcium caseinate comprises about 11%; and  
egg white protein comprises about 8%.

9. (Previously Presented) The wafer cookie of claim 7, further comprising up to about 99% by weight wheat protein.

10. (Previously Presented) The wafer cookie of claim 1, further comprising:  
starch;  
wherein said starch comprises up to about 65% of said wafer cookie.

11. (Previously Presented) The wafer cookie of claim 10, wherein said starch is pastry flour, Hi-maize flour or wheat flour.

12. (Previously Presented) The wafer cookie of claim 10, wherein:

Application No. 10/636,069  
Amendment dated April 24, 2006  
After Final Office Action of February 22, 2006

Docket No.: 66192-0009

said at least one protein material comprises about 26% by weight of said wafer cookie; and  
said starch comprises about 64% by weight of said wafer cookie.

13. (Previously Presented) The wafer cookie of claim 10, wherein said protein material comprises:

whey protein isolate comprising about 11% by weight of said wafer cookie;  
soy protein isolate comprising about 11% by weight of said wafer cookie;  
calcium caseinate comprising about 2% by weight of said wafer cookie; and  
egg white proteins comprising about 2% by weight of said wafer cookie.

14. (Previously Presented) The wafer cookie of claim 13, further comprising wheat proteins.

15-38. (Canceled)

39. (Canceled)

40. (Previously Presented) A wafer cookie, comprising:  
up to about 27 grams of protein per 28 grams of said wafer; and  
up to about 4 grams of carbohydrates per 28 grams of said wafer, wherein said wafer cookie is light and airy.

41-42. (Canceled)
